OPGawe VAN ONDERWERPE / SUBJECT INDEX

A	B
Adolescent, The vulnerable, rapidly growing thoracic spine of the	with elective forceps delivery, Low-dose intrathecal morphine sulphate as sole 603
Aerobic capacity, Assessment of the 2,4 km run as a predictor of	Anatomy in South Africa, The role of R. B. Thomas and E. P. Stibbe — brief heralds of the science of 320
<i>Aeromonas hydrophila</i> wound infection, Aquatically acquired	Part I. R. B. Thomson 320
AIDS and tuberculosis	Part II. E. P. Stibbe 426
AIDS epidemic among the heterosexual black population in South Africa, On the maximum size of the	Angiotensin-converting enzyme inhibitors in pregnancy may result in neonatal renal failure 673
AIDS health education poster, Qualitative evaluation of an	Anthropometric profile of the coloured population of the Cape Peninsula 68
AIDS in township school students in Cape Town, Knowledge, attitudes and beliefs about	Aortic aneurysm diameter to aortic diameter ratio in predicting the risk of rupture, The role of the 642
Aircrew, Left anterior hemiblock in South African	Asbestos-exposed birth cohort, Mortality of an 584
Ambulance service as part of the health profession, The role of the	Asthma and hyperthyroidism 748
Amikacin in a paediatrics department, A prospective study of long-term use of	Atherosclerosis — can they be used to identify the patient with multisystem atherosclerosis?, Risk factors for 237
AMPTELIKE AANKONDIGINGS (sien OFFICIAL ANNOUNCEMENTS)	Atherosclerotic vascular disease, Detecting asymptomatic coronary artery disease using routine exercise testing and exercise thallium scintigraphy in patients with 232
Anaesthetic hazards of the 'passion gap'	Atria, Electron microscopic analysis of the specific granule content of human 207
Analgesic for pain of labour in combination	Barrett's oesophagus — radiological features in 100 cases 660
	Barter's syndrome, Chronic laxative abusers with pseudo-idiopathic oedema and autonomous pseudo- 631
	Benzodiazepine use in a small community hospital 721
	Biliary cirrhosis, Primary 19
	Biochemical reference values in elderly black subjects 241
	BOOKS/BOEKЕ 52, 53, 117, 118, 176, 224, 225, 291, 292, 293, 294, 380, 437, 438, 439, 440, 499, 621, 622, 763, 764, 765
	Boomslang bite — diagnosis and management 39
	Breast development and age at menarche in South African black females, The start of BRIEWE (sien LETTERS) 536
	Bromocriptine in Parkinson's disease, Adjuvative therapy with 680
	Bronchoconstriction in Cape Town schoolchildren, The prevalence of exercise-induced bronkonstriksie op georganiseerde spordelname, Die invloed van oefening-geinduseerde 744
	741

C	
Cannabis psychosis is a valid entity, Toxic ...	476
Canocists and waterborne diseases in South Africa	323
Captopril in hypertensive black men in southern Africa	455
Carbamazepine, Pure red-cell aplasia associated with	214
Carcinoma of the prostate, Radical irradiation for	309
Carditis, Mechanisms and management of heart failure in active rheumatic	
Ceftriaxone in uncomplicated acute gonococcal urethritis in adult males, Efficacy of various single-dose regimens of	181
Cerebellopontile angle tumours in black South Africans — how rare are acoustic schwannomas?	11
Cervical ripening, Synthetic laminaria tent for Childbirth — the Johannesburg Hospital experience, 1983 - 1989, Natural	738
Childhood injury mortality in three South African population groups, 1968 - 1985, Trends in	677
Childhood near-drowning — a 12-year retrospective review	392
Childhood near-drowning — factors associated with poor outcome	418
Childhood poisoning in the western Cape, The pattern of	422
Childhood tuberculous meningitis, The epidemiology and outcome of	22
Children, 1981 - 1985, Injury-related mortality in South African	245
Children at King Edward VIII Hospital, Durban, Some early observations on HIV infection in	398
Children, Five years' experience of injured ...	524
Children in the eastern Transvaal highveld, Respiratory health status of	387
Children — prevalence and psychosocial impact, HIV infection in	647
Children, Surgical correction of ventricular septal defects in black and white	528
Children, The snacking habits of white preschool	656
Chloroquine-resistant <i>Plasmodium falciparum</i> malaria in the Kavango region of Namibia	472
Cholesterol values in the coloured population of the Cape Peninsula, The relationship between dietary factors and serum	322
Cholinesterase assay — paediatric and adult reference ranges, Automation of serum	63
Cholinesterase levels in rural workers exposed to organophosphate pesticide sprays, Low serum	577
Cirrhosis, Primary biliary	19
Confidentiality v. the moral duty to warn an endangered third party, The rule of medical	29
CONGRESS REPORTS/KONGRESVERSLAEGE	
Lymphoma Study Group: Fourth Biennial National Congress, South African	497
Plastic and Reconstructive Surgeons of South Africa, Association of	617
Coronary artery disease, Serum lipoprotein (a) levels in 'normal' individuals, those with familial hypercholesterolaemia, and those with	567
Coronary artery disease using routine exercise testing and exercise thallium scintigraphy in patients with atherosclerotic vascular disease, Detecting asymptomatic	232
Coronary heart disease, Hypertension in a rural South African white population and the effect of antihypertensive treatment on the risk of	89
Coronary heart disease in the coloured population of the Cape Peninsula, Health actions and disease patterns related to	73
Coronary heart disease in the Indians of Durban, Risk factors for	447
Coronary heart disease risk factor intervention programme for the coloured population of the Cape Peninsula, Requirements of a ...	78
Coronary heart disease risk factors in the coloured population of the Cape Peninsula (CRISIC study), The co-existence of major coronary heart disease risk factor variables in a cross-sectional study of white South Africans, Choice of	61
Coronary heart disease, Socio-economic status, risk factors and	570
Coronary risk factors, Hypercholesterolaemia in a rural white population and its relationship with other	82
Costs at Alexandra Health Centre and in the	85
private fee-for-service medical aid sector, A comparison of prescribing patterns and consequent	
Costs in public sector hospitals — a strategy for the future, Containing	
Costs in the private sector — the example of a medical benefit scheme, Containing medicines	
Costs — potential and limitations of local authority health services, Reducing health care	
D	
Deafness, Pure word	158
Desferrioxamine on reperfusion damage of rat heart mitochondria, Effect of	154
Diabetes?, Can we predict and/or prevent type I	152
Diabetes mellitus, pulmonary tuberculosis and chronic calcific pancreatitis revisited	161
Dietary factors and serum cholesterol values in the coloured population of the Cape Peninsula, The relationship between	
Dietitians, 1991 Official Directory of Private Practising	
Diltiazem in the treatment of hypertension, Long-term efficacy and safety of sustained-release	
Drowning — a 12-year retrospective review, Childhood near-	668
Drowning — factors associated with poor outcome, Childhood near-	263
Drug monitoring service to the treatment of epilepsy in Third-World conditions, The relevance of a First-World therapeutic	462
E	
ECG, Evaluation of the post-exercise time-course behaviour of ST-segment and T-wave changes in the elimination of the false-positive stres	235
EDITORIAL/VAN DIE REDAKSIE	395
Anaesthesia — implementing practice standards, Towards safer	587
Child Accident Prevention Foundation of Southern Africa, The neglected disease of modern society and the	
Childhood injury — time for new perspectives	
Cholecystectomy, Laparoscopic	
Confidentiality in medicine	
Davey era at UCT, The Dennis	
Diabetes mellitus — recent developments, Insulin-dependent	
Fakulteit Geneeskunde na 21 jaar — 'n kort oorsig, Die	637

Heralds, herons and healers	51
Hospitals?, Who should run our	55
Johannesburg Hospital, The 100th anniversary of	178
Just food and empty words	228
Longevity?, What are the prospects for improved health and increased	441
Lung medicine in the 1990s	172
Measles, Vitamin A reduces morbidity and mortality	442
Mesothelioma, The challenge of malignant	710
Occupational health of farmworkers	708
Parkinson's disease, Transplantation, fetuses and	563
Radiosurgery for intracranial lesions	562
Smoking and lung cancer	295
Somatostatin analogues and their clinical application	177
Stroke care, The wider implications of	120
Time to choose, A	56
Vitamin A reduces morbidity and mortality in measles	241
Elderly black subjects, Biochemical reference values in	
Electro-encephalographic disturbances due to chronic toxin abuse in young people, with special reference to glue-sniffing	
Electro-encephalography and performance in a poorly nourished South African population	
Emigration of doctors, military service and alternative service	
Endocarditis, Isolated tricuspid valve infective EPIDEMIOLOGICAL DATA/EPIDEMIOLOGIE GEWEENS	34
Antibiotic Study Group of South Africa: number of isolations and antibiotic resistance from six academic training hospitals in South Africa: January - March 1990	54
Antibiotic Study Group of South Africa: number of isolations and antibiotic resistance from seven academic training hospitals in South Africa: April 1990 - June 1990	500
Antibiotic Study Group of South Africa: number of isolations and antibiotic resistance from seven academic training hospitals in South Africa: July - September 1990	766
Epidemiology, Meta-analysis in	94
Epididymo-orchitis, Venous infarction of the testis — a cause of non-response to conservative therapy in	337
Epilepsy in Third-World conditions, The relevance of a First-World therapeutic drug monitoring service to the treatment of	587
ERRATUM	222
Eweknie-evaluasie en litigasie	225
Expenditure, Trends in the distribution of South African health care	125
F	
Fanconi's anaemia in pregnancy	691
Fee-for-service reimbursement system on the utilisation of health services:	
Part I. A review of the determinants of doctors' practice patterns, The impact of the	130
Part II. Comparison of utilisation patterns in medical aid schemes and a local health maintenance organisation	133
Part III. Comparison of caesarean section rates in white nulliparous women in the private and public sectors	136
Financing health care for all — is national health insurance the first step?	144
G	
GESKIEDENIS VAN GENEESKUNDE (sieen HISTORY OF MEDICINE)	
Gestational proteinuric hypertension, The effect of magnesium sulphate infusion on circulating catecholamine levels in severe	688
Glomeruläre filtrasiesspoed in die kritiek siek pasient, Die verband tussen kreatinienopruiming en	254
Glomeruläre filtrasiesspoed, 'n Vergelyking van drie verskillende tegnieke vir die berekening van	266
Goldminers relating to the transmission of human immunodeficiency virus and other sexually transmitted diseases, Knowledge, beliefs and practices among black	520
Gonococcal urethritis in adult males, Efficacy of various single-dose regimens of ceftriaxone in uncomplicated acute	187
Gonococcal urethritis in Durban, A microbiological study of failed penicillin therapy for	189
H	
Haemophilia in Johannesburg, Transfusion-related human immunodeficiency virus in patients with	653
Healing bird, The	485
Heart block and shock, A 36-year-old man with complete	752
Heart disease, Hypertension in a rural South African white population and the effect of antihypertensive treatment on the risk of coronary	89
Heart disease in the coloured population of the Cape Peninsula, Health actions and disease patterns related to coronary	73
Heart disease in the Indians of Durban, Risk factors for coronary	447
Heart disease risk factor intervention programme for the coloured population of the Cape Peninsula, Requirements of a coronary	78
Heart disease risk factors in the coloured population of the Cape Peninsula (CRISIC study), The co-existence of major coronary	61
Heart disease, Socio-economic status, risk factors and coronary	82
Heart failure in active rheumatic carditis, Mechanisms and management of	181
Heart mitochondria, Effect of desferrioxamine on reperfusion damage of rat	263

Hemiblock in South African aircrew, Left anterior	25	Walt, I. J.	50	Diclofenac and pentazocine, Grand mal seizures following treatment with	700
Hepatitis markers anti-HBs, anti-HBc and HBsAg, Comparison of an enzyme immunoassay with a radio-immunoassay method for the detection of the	102	Wolf, Z.	174	Dispensing doctors — a recipe for exploitation!	166
Hirudin, a new anticoagulant, The pharmacology of recombinant	268	Insurance the first step?, Financing health care for all — is national health	144	Divers, Medical examination of sport	495
HISTORY OF MEDICINE/GESKIEDENIS VAN GENEESKUNDE		Interferon on iron-related measurements in human subjects, Effects of alpha-	627	Divine medical practitioners	287
Anatomy in South Africa, The role of R. B. Thomson and E. P. Stibbe — brief heralds of the science of		Iron overload in southern African rural blacks, Dietary	301	Economics, Health	611
Part I. R. B. Thomson		Iron-related measurements in human subjects, Effects of alpha-interferon on	627	Ectopic pregnancy, Chronic torsion of the fallopian tube in	698
Part II. E. P. Stibbe				Emotional skills, Teaching	47
Healing bird, The		K		Epidural analgesia, Prolonged fetal bradycardia during	701
HIV infection in children at King Edward VIII Hospital, Durban, Some early observations on		Keratan sulphate levels during prolonged rest, Serum	629	Erectile failure, Treatment of	113
Hospitals — a strategy for the future, Containing costs in public sector		KONGRESVERS LAE (sie CONGRESS REPORTS)		Ethics, Humanistic situational	433
Human immunodeficiency virus and other sexually transmitted diseases, Knowledge, beliefs and practices among black goldminers relating to the transmission of		Kreatininopruiming en glomerule filtratie-speed in die kritiek siek pasient, Die verband tussen	254	Expired medicines	218
Human immunodeficiency virus infection in children — prevalence and psychosocial impact	524	L		Fatigue, Aberrant <i>in vitro</i> HLA-DR expression in patients with chronic	219
Human immunodeficiency virus in patients with haemophilia in Johannesburg, Transfusion-related	154	Labour in combination with elective forceps delivery, Low-dose intrathecal morphine sulphate as sole analgesic for pain of	603	Fees, After-hours	494
Hypercholesterolaemia, and those with coronary artery disease, Serum lipoprotein (a) levels in 'normal' individuals, those with familial	520	Lactose malabsorption — age-specific prevalence in black and Indian children	470	Fetal bradycardia during epidural analgesia, Prolonged	113
Hypercholesterolaemia in a rural white population and its relationship with other coronary risk factors	528	Laser treatment for sub-retinal neovascular membranes, Results of	250	Fluoxetine-induced syndrome of inappropriate antidiuretic hormone excretion	760
Hypertension in a rural South African white population and the effect of antihypertensive treatment on the risk of coronary heart disease	653	Laxative abusers with pseudo-idiopathic oedema and autonomous pseudo-Bartter's syndrome, Chronic	631	Gedikteer, maar nie gelees nie	762
Hypertension, Indoramin in the treatment of pregnancy	567	LETTERS/BRIEWE		Genetically determined hyperthermic reactivity associated with certain congenital abnormalities	43
Hypertension in family practice in Cape Town, The epidemiology of	85	Acanthamoeba, Contact lens warning in relation to	286	Gloves — a change of practice, Cannulas and	284
Hypertension, Long-term efficacy and safety of sustained-release diltiazem in the treatment of	456	Acupuncture unscientific?	287	Granuloma inguinale in Durban, HIV and Grey's Hospital a community asset	320
Hypertension, The effect of magnesium sulphate infusion on circulating catecholamine levels in severe gestational proteinuria	688	After-hours fees	494	Haemangiopericytoma, A case of	375
Hypertensive black men in southern Africa, Captopril in	455	AIDS and confidentiality	43	Haematocervix and haemometra, A case of	46
I		AIDS, the human face of	44	Haemoglobin values — another look at anaesthetic practices, Pre-operative maximum	697
Indometasenbehandeling, Herhalende akute polihidramnios en	215	Ammonia — still a health hazard in the workplace	45	Hand, An unusual combination of fractures of the	288
Indoramin in the treatment of pregnancy hypertension	458	Anaesthetic practices, Pre-operative maximum haemoglobin values — another look at	697	Headaches — the often dismissed symptom	113
Infants fed breast-milk, low- or high-sodium formula, Dynamic skinfold thickness measurement in	644	Antibiotic deficiency syndrome?, The	111	Health care utilisation, Common health problems and	49
